Dear Sir

I never happen to have
heard your goodly name in connexion

so happens that I have no copies of
them, excepting a single one of each on
my own shelves. Thus I cannot spare

For the sake of the great
author you name I wish I could assist
you; but I cannot; and at my very
advanced time of life (nearly 91) I go
out so little that I cannot make any
enquiries. I wish you health and all
success. Yours very truly
